**NMMHA
2019 Convention**

Dear NMMHA Member,

It is with great pride that the NMMHA announces this year's Annual Convention slated for June 9-11, 2019 at the fabulous Sandia Resort and Casino in Albuquerque. We are very happy to once again be able to hold our convention at Sandia, as it is a first-class resort with many fine features and amenities including a fabulous golf course and fishing lakes. The NMMHA Annual Convention is the longest running state manufactured housing convention in the country and is brought to our members by the longest running State Association in the country, having been incorporated in 1974!

The New Mexico Annual Convention has been called by many the best Association convention in the country and for good reason. The convention serves as a tremendous networking opportunity for everyone who attends. Retailers, manufacturers, community owners, lenders, suppliers and installers along with land developers and special guests congregate to form the nucleus of an entire state industry during the convention's three days of events. The numerous events that comprise the convention's agenda provide a mix of social, educational and recreational activities that give the convention a family and vacation atmosphere that the kids will love too!

At the business day of the convention, members will again participate in well-organized meetings that optimize the presentation of information so that members can easily digest and use what they learn to improve upon their every-day businesses. The day's events will begin with the General Membership Meeting, where important industry information will be relayed, with several bylaw change proposals being considered, as well as Board of Director Elections and capped off with our Annual Business Luncheon with keynote speaker (confirming).

In what was started a few years ago and has quickly become a very successful feature of the NMMHA Annual Convention, community members, retail members, installers and manufacturers will again have separate meetings, during the afternoon of "Business Day," to discuss issues unique to their membership category. Once again, the installer workshop will afford Continuing Education Credits with MHD. The day's events will conclude with the convention's highlight event: The NMMHA Annual Awards Banquet.

Eventually, our busy convention gives way to fun! On Tuesday, Golfers will be excited to play the Championship Golf Course at Sandia and all the fisher-people will enjoy participating in the ever popular "Alyce's Fishing Tournament" at Sandia Lakes. And, of course, the kids (and the young at heart) will definitely enjoy the warm and inviting pool area of the Sandia Resort along with all the other engaging or relaxing activities they have to offer.

Needless to say, the 2019 NMMHA Annual Convention is slated to be as great as it's ever been! So Register today and continue to be a part of the best Manufactured Housing Association and convention in the country!

Sincerely,
New Mexico

Manufactured Housing Association

NMMHA 2019 Annual Convention

The Spectacular Sandia Resort and Casino offers a refined and sophisticated atmosphere inspired by New Mexico's pueblo culture. Whether you are here to game, dine, golf or relax at the Green Reed spa, you will discover something new around each corner.

Guests can observe original photographs depicting the culture and history of the Sandia Pueblo throughout the resort.
