**NMMHA
2021 Convention**

Dear NMMHA Member,

It is with great pride that the NMMHA continues its preparation for the 2021 NMMHA Annual Convention October 17-19, 2021 at the beautiful Sandia Resort and Casino in Albuquerque, New Mexico. As a result of the NMMHA's patronage over the last decade, Sandia has offered the NMMHA its premier time slot for this year's convention when October is not only the most beautiful time of the year in New Mexico but our event is just one week after the International Balloon Fiesta!

The New Mexico Annual Convention has been called by many the best Association convention in the country and for good reason. The convention serves as a tremendous networking opportunity for everyone who attends. Retailers, manufacturers, community owners, lenders, suppliers and installers along with land developers and special guests congregate to form the nucleus of an entire state industry during the convention's three days of events. The numerous events that comprise the convention's agenda provide a mix of social, educational and recreational activities that give the convention a family and vacation atmosphere that the kids will love too!

At the business day of the convention, members will again participate in well-organized meetings that optimize the presentation of information so that members can easily digest and use what they learn to improve upon their everyday businesses. The day's events will begin with the General Membership Meeting, where important industry information will be relayed. We will then be treated at our Annual Business Luncheon with Keynote Speaker, Lance Hull of 21st Mortgage.

In what was started a few years ago and quickly became a very successful feature of the NMMHA Annual Convention, community members, retail members, installers and manufacturers will again have separate meetings, during the afternoon of "Business Day," to discuss issues unique to their membership category. Our installer workshop will offer an interactive session with MHD inspectors. The day's events will conclude with the convention's highlight event: The NMMHA Annual Awards Banquet.

Eventually, our busy convention gives way to fun! On Tuesday, Golfers will be excited to play the Championship Golf Course at Sandia and all the fisher-people will enjoy participating in the ever popular "Alyce's Fishing Tournament" at Sandia Lakes. And, of course, the kids (and the young at heart) will definitely enjoy the warm and inviting pool area of the Sandia Resort along with all the other engaging or relaxing activities they have to offer.

Needless to say, the 2021 NMMHA Annual Convention is slated to be as great as it's ever been! So Register today and continue to be a part of the best Manufactured Housing Association and convention in the country!

Sincerely,

New Mexico

Manufactured Housing Association

NMMHA 2021 Annual Convention

Having gone through extensive renovations during the shutdown, The Spectacular Sandia Resort and Casino offers a refined and sophisticated atmosphere inspired by New Mexico's pueblo culture. A striking cobblestone porte-cochere entry greets arriving hotel guests, who are welcomed into the grand lobby highlighted by the Mountain View and unique architecture featuring native pottery and art. Whether you are here to game, dine, golf or relax at the Green Reed spa, you will discover something new around each corner....

NMMHA Annual Convention Keynote Speaker

The NMMHA is excited that Lance Hull of 21st Mortgage Corporation will keynote the 2021 NMMHA Annual Convention! "As one of the most respected and experienced people in our entire industry, we couldn't be prouder to have Lance keynote our convention," said NMMHA Vice-President and Convention Chairman, Matt Nino.

Lance Hull's connection to the manufactured housing industry started when he joined Clayton Manufacturing in 1998. After running the company's Commercial Buildings Division, he was

promoted to Vice President of Sales and Marketing. During his time with Clayton, the company successfully acquired and integrated some of the best manufacturing brands in the industry and was voted MHI's National Manufacturer of the Year for a record eight straight years.

In 2012, Lance joined one of Clayton's sister companies, 21st Mortgage Corporation. After developing the company's Communities Programs Group, Lance was promoted to National Director of Marketing and Business Development. In this capacity, Lance and his team serve the market through outreach and communication and enhancing the customer experience for their borrowers and more than 2000 retailers and communities groups nationally.

SANDIA
Resort & Casino
Close to Home... Far from Ordinary

2021 NMMHA Annual Convention

October 17-19, 2021

Sandia Resort and Casino
Albuquerque, New Mexico

Registration Form

To celebrate the tremendous year the NMMHA had in 2020, Convention Sponsors and the NMMHA will provide most meals and entertainment. A \$150.00 registration fee is being asked of every conference attendee and spouse/guest (\$45.00 for children) to cover meeting room and set-up as well as other miscellaneous and special event convention expenses. To make hotel reservations, call the Sandia Resort & Casino toll free at 877-272-9199 and request to be part of the Manufactured Housing Block. The room rate for our block is \$189.00 per night. The Sandia Resort & Casino can only guarantee this rate through **September 26, 2021**.

Name and company will reflect name badge and conference attendee listing.
